

## Linda Seals Biography

I met Jan West seven years ago when I was working for a high-end contemporary furniture store. I am thrilled to work with my long-time friend in this exciting new venture at Posh Designs and furnishings.

I have 27 years of experience in interior design, including 18 years with a name brand European contemporary store and four years with the Interior Design Studio in Palm Springs, California.

I offer interior design plans that include design essentials such as furniture, window treatments, area rugs, flooring, interior paint colors, artwork, and unique accessories. After an initial meeting to identify your specific needs, lifestyle and tastes, I will create a complete interior design plan.

My design skills range from contemporary to traditional to Old World and Country. I will work within your budget to create the perfect look for your home or business. Please call me to arrange a personal consultation or visit our showroom to see our complete selection of beautiful home furnishings.

Sincerely

Linda Seals
